

GOD HEALS

Psalm 147:3 He heals the brokenhearted and binds up their wounds.

Life is not always rosy. We do encounter painful and sorrowful events. You might have lost a loved one recently. You might have a close relative or friend who is hospitalized, disabled or contracted a severe disease now. Don't be discouraged because God is a merciful God and He is still in control. God is a great healer.

God heals the brokenhearted and binds up their wounds as stated in Psalm 147:3. We might feel pain but pray to God. God will give you comfort and strength.

Lamentation 3:22-23 states "Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness." We can count on His love for us and His faithful promises to sustain us. Ask God to refresh you and fill you with peace every morning.

Pray to those who are broken-hearted, in sorrow, in physical pain and in sickness. Be compassionate to them and care for them. God uses you to be His merciful hands to comfort and support others.
