

DON'T WORRY ABOUT TOMORROW

Matthew 6:26 Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?

This beautiful hummingbird flying around flowers and getting her food reminds me of this wonderful verse in Matthew. God cares for these beautiful birds, but God values humans much more. God tells us in Matthew 6:25-34 about how we should face tomorrow, and what is our priority in life.

Dealing with anxieties about earthly things – Most people get anxious when they negatively see their surroundings and situations. In addition, people get anxious when they are counting on themselves to fight for all the obstacles. God uses the birds to illustrate God cares about us and provides for our needs. Without hope in God, we often see things negatively. We try harder and harder by our abilities to handle matters that can make us more anxious. In verse 25, God states “Do not worry”.

Concentrate on the priority– God tells us to focus and to put top priority on His kingdom and His righteousness over the earthly things. That will ease our unnecessary anxieties.

Do not worry about tomorrow – God did not say you will never have any problem. In fact, you will have things to deal with every day. However, to seek God is the way. God will provide you with wisdom. God will help you to focus on your priorities. God will bring you peace and strength when you seek Him. Rest in His divine provision.
