

GOD IS THE BUILDER

Hebrews 3:4 For every house is built by someone, but God is the builder of everything.

This large beautiful castle located near Paris has a very unique design and architecture. The architect and builder of this castle should be the one who takes the honor. This verse is a part of the passage in Hebrews chapter 3, verses 1 to 6. This passage emphasizes spiritual building rather than a physical one. Key points are: Fix your thoughts on Jesus, the high priest – Human has sin but Jesus has no sin. We should focus our thoughts on Him and imitate Him.

The builder of a house has greater honor than the house itself – Jesus has greater honor than Moses. The same for any person on earth regardless of how holy one is. The reason is God is the builder of everything. He created us, the universe and the church.

Be faithful and do God's work – Heb. 3:6 states "But Christ is faithful as the Son over God's house. And we are his house, if indeed we hold firmly to our confidence and the hope in which we glory." Therefore, be strong in your belief and faithfully do God's work. It is a wonderful blessing that we are part of God's household.
