

HUMBLE YOURSELF AND OBEY GOD

The name of the tower (通天閣) appears on one side of the tower. It literally means “The tower reaching to heaven”. This is located in Osaka, Japan. Japanese built this tower with an intention not exactly as the tower of Babel (tower reaches to heavens in Gen. 11:4-8). However, 1) at that time as well as today, many people still think they have the same ability as God. They think they can do all impossible things. 2) People think they don’t need to obey God. God wants people to fill the world in Gen. 9:1, but they gathered in a place and built a “heaven-reaching” tower in Gen. 11:4. There is consequence when we disobey. Therefore, we need to humble ourselves, to God and to fellow human. We also need to follow God’s will and command. Then we will be exalted by God. God gives grace and honor to the humble!

Luke 14:11 For all those who exalt themselves will be humbled, and those who humble themselves will be exalted.
